Your passport is the cause you serve,  
Our best is less than you deserve,  
Fair 'Daughters' of our land,

## BOGUS LONG LOST MOTHER

**MARIE DORO.**  
The actress, who is claimed by Mrs. Douglas Saunders, of California, as a long-lost daughter. Miss Doro is the French star, who has been appearing with success in London. Such a romance in her life had never been suspected. To give weight to her claim Mrs. Saunders, who is the widow of the former Superintendent of Schools of San Rafael, Cal., stated that she had recognized her daughter through pictures which have appeared of the actress in the magazines, and had correspondence with her, and that Miss Doro had forwarded handsome remittances to her. She exhibited pictures taken of her daughter several years ago, which bore a striking resemblance to Miss Doro. According to Miss Doro's manager, the claims of Mrs. Saunders are without foundation in facts. He says Miss Doro was born at Danmannon, Pa. Her father was district attorney of Perry county. He moved from Pennsylvania to Kansas City when Miss Doro was a child. From there the family moved to New York after Miss Doro had achieved success on the stage.

## DRY WEATHER REDUCES SALES

[Special to The Times-Dispatch.]  
LYNCHBURG, VA., October 12.—On account of the farmers being busy with their fall work, and because of the dry weather, the sales of tobacco on the local market during the past week have been light. The coming week should be a brisk one, on account of the rain of the past few days, making it possible to prepare the tobacco for the market.

The sales last week aggregated \$1,600, a decrease of 14,200 pounds, when compared with the week previous. The total sales for the season have aggregated 1,414,300 pounds, an increase of \$55,300 pounds sold at the same time in 1902.

The offering last week consisted chiefly of primings, a large portion of them not being in condition. The prices, however, have been very satisfactory to the planter.

The 1903 crop is now in the house in good condition and it is curing up nicely, with good color. The crop will undoubtedly be a very desirable one.

**HOME ROBBED OF \$1,000.**

J. W. Dinwiddie, Who Was Here, Returns to Find His House Looted.

[Special to The Times-Dispatch.]  
LYNCHBURG, VA., October 12.—James W. Dinwiddie, a prominent resident of Campbell county, whose plantation is located about four miles south of Rustburg, and who has been recently returned from an extended stay of about two months in Richmond, reports that his bachelor quarters on his farm were robbed during his absence of property worth about \$1,000. The theft included several certificates of deposit on local banks, some wearing apparel and a number of old Virginia hams.

Mr. Dinwiddie cannot say when the robbery took place, but it is more than probable that it was perpetrated by persons thoroughly familiar with the house and with the fact that the owner was absent. The house was entered by one of the windows being broken.

A tenant lives on the farm, but he knew nothing of the robbery until it was discovered after Mr. Dinwiddie's return.

**THE KNOCK-OUT BLOW.**  
The blow which knocked out Corbett was a revelation to the prize fighters.

From the earliest days of the ring the knock-out blow was aimed for the jaw, the temple or the jugular vein. Stomach punches were thrown in to worry and weary the fighter, but if a scientific man had told one of the old fighters that the most vulnerable spot was the region of the stomach, he'd have laughed at him for an ignoramus. Dr. Pierce is bringing home to the public a parallel fact; that the stomach is the most vulnerable organ out of the ring as well as in it. No protect your head, throat, feet and lungs, but the stomach is utterly indifferent to, until disease finds the solar plexus and knocks us out. Make your stomach sound and strong by the use of Dr. Pierce's Golden Medical Discovery, and you protect your health, your most vulnerable organ.

The "Golden Medical Discovery" cures "weak stomach," indigestion, or dyspepsia, torpid liver, bad, thin and impure blood and other diseases of the organs of digestion and nutrition.

The "Golden Medical Discovery" has a specific curative effect upon all mucous surfaces and hence cures catarrh, no matter where located or what stage it may have reached. In Nasal Catarrh it is well to cleanse the passages with Dr. Sage's Catarrh Remedy while using the "Discovery" as a constitutional remedy. Why the "Golden Medical Discovery" cures catarrhal diseases, as of the stomach, bowels, bladder and other pelvic organs will be plain to you if you will read a booklet of extracts from the writings of eminent medical authorities, endorsing its ingredients and explaining their curative properties. It is mailed free on request. Address Dr. R. V. Pierce, Buffalo, N. Y. This booklet gives all the ingredients entering into Dr. Pierce's medicines from which it will be seen that they contain not a drop of alcohol, pure, triple-distilled glycerine being used instead.

Dr. Pierce's great thousand-page illustrated Common Sense Medical Adviser will be sent free, paper-bound, for 21 cent stamps, or cloth-bound for \$1 stamps. Address Dr. Pierce as above.

**WANT CAPTAIN TO STAY.**  
Lynchburg People Like Officers of Salvation Army There.

[Special to The Times-Dispatch.]

Persons in all walks of life believe it is a mistake on the part of the authorities of the army to remove these workers from Lynchburg, and it is more than probable that the order would be withdrawn if the local conditions were thoroughly understood by those issuing it.
